I am asking that they be returned **as soon as possible however, NOT LATER THAN SEPTEMBER 01, 2007**. The early return of schedules allows me the necessary time needed to update record(s) and begin imputing the data into our associations' data base. Should any deletions/additions, time or place changes occur in your schedule after submitting the schedule please notify me immediately.

Please provide instructions if you have any special billing needs, ex. split invoices, etc.

Again, I look forward to a successful season.

Yours in officiating,
