 5. Short on referees this year.Jerry went over rule changes for this year. Overtime procedures have changed in the rule book we need to revise bylaws to stay consistent. Bylaws as written for over time:
***Section F:** In the event of a tie score at the end of three periods, a one (1) minute rest period will be taken. After the rest period, a one (1) minute, sudden-death overtime period will be wrestled starting from a neutral position. The overtime (and, if necessary, the tie breaker) is an extension of the match and all warnings and penalties are carried into this time. The match will end with the first point(s) awarded whether technical or penalty and the winner declared. If no points have been awarded by the end of one minute overtime period, a thirty (30) second tie breaker will be wrestled. There will be no rest period between the overtime and the tie breaker. After a coin toss to determine choice, the wrestler may select top, bottom, or defer to the other wrestler. The first wrestler awarded a(ny) point(s) will be declared the winner. If no scoring occurs, the offensive wrestler will be declared the winner.*
8. Reminded everyone who are the sub-division Mgrs
**1A, Tad Zanoni (Auburn) 1B, Steve Zografos (MV)
2A, Merle Larrison (UP) 2B, Dave Chapman (VI)**
9. Sportsmanship / letter from league:
Teams who host events must notify director (Jerry Bowles) **As Soon As Possible** of Coaches, Parents, spectators or wrestlers who have team points deducted for unsportsmanlike conduct or flagrant fouls by a referee or tournament director. I need to know what happened, who was penalized and what team they represent. This will give me the information so I can send the written warning. See bylaws *ARTICLE II, Section G revised November 2001.*
