NYSCA verification

NYSCA is required and certification verification of head coach needs to be sent in. The NYSCA certification comes with liability insurance, important to get.
Be sure to maintain your NYSCA certification
\$2,000,000 liability
Orting (Mike Meeks) will give cards on the spot

Rick Bruya letter Dated January 18, this did not just happen at Auburn

Tabacco use, Beer cans in stands, People in unauthorized areas of schools
As team administrators we need to ensure that we are following the rules setup by the schools and school districts we use. We need to protect our facilities or we will lose the privilege to use them. The behavior described in Rick's letter also happened elsewhere. It was not isolated to Auburn. As a result of the behavior Auburn lost the use of that school. Overall the behavior was good. Good job coaches, but we can still improve.
South End wants to thank Orting for the Tough Guy
Orting did a great job running the league tournament.
